

# CYCLE 4 ST. JOE'S SOCIAL MEDIA TOOLKIT

## Option One

On September 23rd, I'll be cycling to support critical needs at St. Joseph's Health Centre Toronto. Help me keep my Promise to St. Joe's and support my ride with a donation at {insert fundraising URL}.

## Option Two

St. Joe's has made a Promise to make Toronto's west-end community one of healthiest in Canada.

On September 23rd, I'll be helping St. Joe's keep that Promise by riding in support of critical needs at St. Joseph's Health Centre Toronto.

I am excited to support the health of my community by fundraising for the 2018 Cycle 4 St. Joe's ride and I need your help!
