

Team PWC is registering to Cycle 4 St. Joe's again this year!

SUNDAY
SEPTEMBER
24TH

LET'S RIDE TOGETHER

Let's ride to reimagine the best care for all at St. Joe's.

Together, we've logged thousands of kilometres to raise millions of dollars to transform emergency care, support surgical care renovations and equipment, along with so much more.

Now we ride to transform St. Joe's for the future and to ensure the best care experiences for our community and beyond.

Sign up or donate today at supportstjoes.ca!

Cycle 4 St. Joe's takes place at the Mattamy National Cycling Centre in Milton and includes the ride for all ages and abilities, a BBQ lunch and prizes for the top fundraising team!
